Kidderminster Food Bank Update

Dear Parents/Carers,

We know it's a challenging time for everyone at the moment as the Coronavirus pandemic unfolds, and as a school we appreciate how difficult this may become for some of our families.

We wanted to remind you that Heronswood Primary continues to be a registered referral agency for the Kidderminster Food Bank. This means that we are able to give out food bank vouchers to families whose children attend our school and are in need of help with food.

Kidderminster Food Bank have changed their criteria to support anyone in need during this tricky time.

Kidderminster Food Bank are now offering deliveries to our families to ensure people can stay at home and follow the government guidelines. Pre-packed parcels can be delivered to your address on a Wednesday or a Friday between 12.30pm- 2.30pm. We have been told that the volunteers will maintain the social distancing guidelines.

We know that anyone can find themselves in need of support for many different reasons, if you feel you are in need of a Food Bank voucher, at any point during the school closure, please email the school office (hwoffice@riverscofe.co.uk). We will then call you to take details and contact the Food Bank on your behalf. We will be checking emails throughout the Easter holiday time, so please continue to email us.

Please note that we treat all families and requests for support in confidence. We are here to help during this challenging time.

Kind regards,

Mrs Dobson
