Monday 11th May 2020

Dear Parents and Carers,

I hope you are all well, and that you have managed to enjoy the bank holiday weekend.

Many of you will have watched the address from the Prime Minister last night (Sunday), where the Government believes it might be possible to start to re-open schools from the 1st June. There is talk of a phased return, with only some year groups, but at the moment there has been very little clarity. This afternoon a '50 page document' has been released which we will now start to look through.

Of course, we all want our children back in school as soon as possible, however my priority will always be the safety of all children, their families and the staff.

Unfortunately, at this stage we have no answers, but over the next week, we hope to have a clearer picture of what things might look like on the 1st June, if schools do re-open. We would really value your feedback, so will be sending out a questionnaire, just to YR, Year 1 and Year 6 parents initially, in the next few days. Please look out for that, as your feedback will also help us to plan what school could look like.

At this point in time, nothing has changed. School is closed to the majority of our children, and is only open to key worker children in an emergency situation, when it is not possible for them to be cared for at home.

Please continue to keep yourself safe and I will update you again once we have some answers.

Mrs Pierpoint

Head Teacher
