

# Passport Back to Year Six

## *Heronwood Primary School*

We are very excited to hopefully have you back very soon! School will be very different when you get back. We know you will have lots of questions about this so we thought we would try and answer some of these questions. The most important thing is not to worry. We know that you are all amazing and we will find our new normal together.

### **What will I do when I get to school?**

You will come to school through the staff car park and enter via the side gate. You must only walk to school with others in your Pod. An adult will greet you and direct you to your Pod fire door. This is the door you will use all of the time. School will start at 8.35am and will finish at 3:15, except on a Friday. Please remember to stand two metres away from other people when you are waiting. **It's really important to be on time!**

### **What will happen at break and lunch time?**

Every Pod will have their own outdoor space to use each day for break and lunchtimes; we will put a rota in place so that you get to enjoy all of our outside areas.

Lunchtimes will look a little different. You will bring your own packed lunch or be given a school packed lunch. Don't forget your drinks bottle. You will have time to eat your lunch in the classroom or have a picnic on the field.

You will only play with your friends in your Pod. It is expected that you socially distance outside too and don't mix at all with other Pods.

### **What will learning look like?**

You will have your own desk, with all the things you need on there. You cannot share any resources or equipment with friends; there will not be any group work. KC1 have kindly given your teachers lots of transition work to help prepare you for Y7.

You will begin to learn German too!  
How exciting 😊

### **Who will be in my class and where will it be?**

You might not be in your usual classroom. We have put children into small groups called Pods, so we can spread you all out.

- Mrs Kingston will teach Pod 1 in 6BK
- Mr Partridge will teach Pod 2 in 6TEP
- Miss Spittle will teach Pod 3 in 5DS

You will stay with the same teacher every day. At lunch time and break times, a TA will look after you, so your teacher can eat their lunch too and have a cup of tea.

Each Pod will have its own boy/ girl toilet that you must use.

Toilet breaks will be more restricted than normal, as there can only be one person in the block at a time.

Washing hands is really important!

### **More information....**

You will need to wear your school uniform as normal. We may ask you to wear PE kit on certain days. You will not need your school bag, reading book or diary. Just a named water bottle, snack and lunch.

You will be expected to wash your hands frequently throughout the day; hand sanitiser will be available to use regularly too. You may wish to bring your own sanitiser and leave it in school, to keep on your own desk.

Please apply sun cream every day; bring a hat and your coat. You never know what the weather is doing! Mobile phones are not allowed.

School will finish at 12:00pm on a Friday.

As usual, we expect you to follow all instructions from adults and our STARS values at all times. If you do not follow our clear expectations for behaviour, your adult will need to collect you from school.
